

I guess
we could
fool around
a little

"Hey, what do
you think
about me?"

Just like
that, I tried
probing you
up

傷心 ユキムラ

Wonderful!

Well then, to
commemorate
our meeting,
please drink
up!

I was dumped
recently, so I
was bored.

She looked like she was going
through the same thing as well.

That all happened two years ago.

Even though we agreed that we're just "fooling around",

I've been in love with her for a long time already.

Top

She hasn't
messaged me
in three
weeks

Nothing

Maybe, I
think I may
have just
had my
heart
broken.

Oh my, it's
been a while,
hasn't it,
Mamasan?

Say, Mamiyaan.
Do you know
any good
tattoo artists?

Even though
we've been
together for
two years, I
didn't leave an
impression
at all.

Is that
so...

You
want a
tattoo?

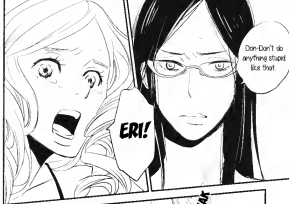

I want to
have the same
tattoo in exactly
the same spot.

Please don't
do that.

I want to be
marked, even if
I didn't leave
a single thing
inside her
heart.

Tear up

Don-Don't do anything stupid like that.

ERI!

HEY!
Calm down,
Mayad!

BANG

!?

BAM

KER-CHAK

ERIIII!

I'm
sorry.

I didn't
think you'd
cry this
much over
me.

Uuuuuuu
zzzzzz
zzzzzz...

SOB
SOB

I
thought...
you didn't
want me
any...
uuu...

You stopped
needing me
all of a
sudden...
uuu...

SOB

SOB

I know you
don't like it
when I cry,
but honestly...
I'm a
troublesome
wound!

OF COURSE
I'M GOING
TO CRY
OVER YOU
LIKE
THIS!

For a very
long time now,
this hasn't just
been "feeling
around" for me!

Of course
I'm going to
be sad if the
person I love
dumps me!

Maya

I'm also...

Even when I've fallen in love, I'm still scared of being tossed aside.

I thought that if I wasn't serious to begin with, then I'd never get hurt again.

I'm also very troublesome.

and selfish.

A little while ago, I saw someone I used to love.

When she left me, I was so hurt. In so much pain.

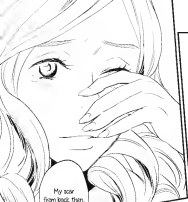

It felt like it would be a permanent scar, just like my tattoo.

I got this tattoo for her sake,

but in the end, she left after telling me that she got pregnant!

She looked so happy while walking with her family.

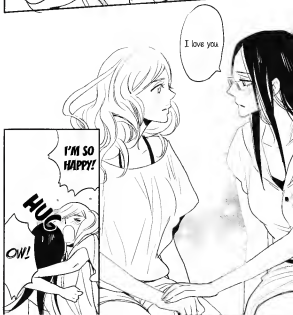

My soul
from back then.

You managed
to heal it for me a
long time ago.

But

I didn't feel
anything when
I saw her.

"Please cherish it,"

she said...
